Eolo

With subtly-turned surfaces, circular to ovoid, and a sturdy four-way base, Eolo is a distinctive and useful table for home or office. Available in two heights (35, 74 cm - 13 1/4", 29 1/8") with round and oval tops of white MDF or laminate in a range of sizes. The four-way base is available in white lacquered aluminum. Large tops are also available with double bases suitable for conference room applications.

Designer

Lievore Altherr Molina, 2004

Lievore Altherr Molina was founded by Alberto Lievore, Jeannette Altherr and Manel Molina in 1990. Their humanist design approach is informed by the fundamental desire for pure, beautiful forms derived from the constraints of function, technology and context.

Distinguished by a multi-disciplinary method that engages furniture, interior, product, and package design, their work has been globally exhibited and acknowledged. They are the recipients the prestigious National Design Award (1999) in Spain where they practice and teach extensively.
