

MASAI

arper

Masai

With its clean lines, rigorous geometry, and soft, welcoming seat, Masai makes a statement in both the dining room and the boardroom.

Masai is available as chair and armchair, upholstered in a range of leather and fabrics. Base options include: four-legs in satin-finished lacquered steel or covered in matching leather or fabric, aluminum trestle base with and without castors, aluminum five-star base with tilting and lift mechanisms, with and without castors.

The Masai Collection is GreenGuard certified.

Designer

Lievore Altherr Molina, 2001

Lievore Altherr Molina was founded by Alberto Lievore, Jeannette Altherr and Manel Molina in 1990. Their humanist design approach is informed by the fundamental desire for pure, beautiful forms derived from the constraints of function, technology and context. Distinguished by a multi-disciplinary method that engages furniture, interior, product, and package design, their work has been globally exhibited and acknowledged. They are the recipients the prestigious National Design Award (1999) in Spain where they practice and teach extensively.
